### BEST ON VENTURA: ONE-OF-A-KIND HOME DÉCOR ITEMS: ATIK

**Atik** is the brainchild and labor of love of **Janet Bertolus**. For years, Janet filled her own home with vintage finds and rare collectibles from all over the world—conversation pieces that captured the curious eye of friends and family. Her husband, after noticing that she was always being asked where she found the one-of-a-kind treasures, suggested that she open a store to share her passion and artistic eye. Janet considers Atik an extension of her home, and hopes the store continues to inspire all those who visit. But beware: before you know it you'll realize you've spent the better part of an afternoon inside this incredibly interesting and eclectic store. **Atik, Unique Objects for People That Have Everything**, 13027 Ventura Blvd, Studio City, 91604, 818-788-5444. Store hours: Mon-Sat, 11am-6pm; Sun 12pm-5pm.
